Set in the open countryside of Statos-Agios Fotios in the Paphos district, this agricultural field covers 11,372 m². Its agricultural zoning suits farming or planting, in a landscape-led setting away from dense urban development. The village centre and the neighbouring villages of Pentalia and Faleia are a short drive away.

The field has an irregular shape and a sloping surface. It has no direct road access. It is a sizeable, uncomplicated piece of agricultural ground in a rural part of Paphos.
