**Description**
A field of 6522 m² in the Drymou countryside of Paphos, Cyprus, on agricultural land in an open rural landscape away from dense development. The ground is irregular in shape and has a sloping surface. The field has no direct road access of its own.

The village centre is a short drive away, as are the neighbouring villages of Thrinia and Lasa. A petrol station and main roads lie within driving distance, and the Limassol–Paphos Motorway serves the wider region. This is a versatile piece of agricultural land for farming or planting.
