Description
Spread over 7693 m² of smooth, even ground, this agricultural field lies in the open countryside of Galataria in the Paphos district. It sits away from dense development, and its agricultural zoning makes it land for farming or planting. The village centre is a short drive away, as are the neighbouring villages of Koilineia and Statos-Agios Fotios. The Limassol–Paphos Motorway lies in the wider region. The field has no direct road access. It is a generous, workable piece of Galataria farmland with an even surface across its full extent.
