Description
A 6021 m² field of agricultural land in Stroumpi, set in open countryside outside the village. The ground slopes and the shape is irregular, and a stream runs along one boundary. Its agricultural zoning makes it suited to farming and planting. The field has no direct road access.

The village centre and neighbouring Theletra are a short drive away, with petrol stations close by. Main roads and the Limassol - Paphos Motorway are within a drive. This is a versatile piece of farmland in the Stroumpi countryside, bordered by a stream along one edge.
