For Sale : **€ 8,500**

Description
Set in the rural countryside of Drymou in the Paphos district, this agricultural field offers a generous 6689 m² of sloping, irregularly shaped ground. It is land for farming or planting, in an open, landscape-led setting away from dense urban development.

The village centre is a short drive away, as are the neighbouring villages of Simou and Lasa. Main roads and a petrol station are within a drive, and the Limassol–Paphos Motorway lies in the wider region.

This sale is for a half share of the field. It makes a practical addition to an agricultural holding, with a good expanse of open Drymou farmland.
