For Sale : **€ 8,100**

Description
This field for sale in Koili, Cyprus, sits in open countryside within easy reach of the village centre. It covers 5229 m² of sloping ground with an irregular outline and has direct road access.

The land is zoned for agricultural use and suits farming or planting. It could also be a practical addition to an existing agricultural holding. Tala, Kamares and Peyia are all a short drive away, and the Limassol–Paphos motorway connects the area with the rest of the district. This sale is for a one-third share of the field. It is a versatile piece of Koili farmland with the road along its edge.
