Description
This field in Koili covers 11706 m² of open countryside in the Paphos district, not far from the well-known Adonis Baths. The land has a sloping surface and an irregular shape. It has no direct road access.

The villages of Tala, Kamares and Peyia are a short drive away, as are petrol stations. Main roads, the Limassol – Paphos Motorway and its junctions are within a drive. This is a generous, sloping piece of the Cypriot countryside on the edge of Koili.
