Description
A piece of the Paphos countryside, this agricultural field in Choulou covers 8027 m² of sloping ground. Its irregular shape follows the natural lie of the land, and the field is reached by an access road.

The Choulou village centre is a short drive away, as are the neighbouring villages of Melamiou, Kannaviou and Lemona. Main roads are within a drive, and the Limassol–Paphos motorway lies in the wider region. Zoned for agricultural use, the land suits farming or planting. It is a generous, uncomplicated parcel of farmland in an open rural setting.
