Description
A field on rising ground in Praitori sits in an open countryside setting, a short drive from the village centre. The land extends to 4348 m² with an irregular shape and a sloping surface. It is zoned for agricultural use, which suits farming or planting.

The neighbouring villages of Kedares and Filousa Kelokedaron are a short drive away. A main road is within driving distance, and the Limassol–Paphos Motorway lies in the wider region. The field has no direct road access. It is a versatile piece of agricultural land in the Praitori countryside.
