Description
A sizeable agricultural field in the Stroumpi countryside of Paphos, set on sloping ground in an open rural landscape away from dense development. It covers 19,064 m² in total, and its agricultural zoning suits farming or planting.

The village centre, the neighbouring villages of Theletra and Old Theletra, and petrol stations are all a short drive away, while the Limassol–Paphos Motorway is within a longer drive. The field itself has no direct road access. This sale is for a one-third share of the land.

A generous piece of farmland on the slopes of the Stroumpi countryside.
