Description
In the open countryside of Moro Nero, this field for sale offers 13,044 m² of agricultural land within the Kallepeia community in the Paphos district. The ground is irregular in shape and sloping, and its agricultural zoning suits farming or planting. The land has direct road access, which makes it practical to reach and work. The villages of Episkopi and Pitargou are a short drive away, and the Limassol–Paphos motorway, main roads and petrol stations are within driving distance for getting around the district. This sale is for a half share of the field. It is a sizeable, versatile piece of Kallepeia farmland with its own road access.
