

For Sale, Land, Plot, Nicosia, Agios Andreas, 1,182m²

For Sale : € 900,000

Description

Establishing a lasting presence in Nicosia's most revered residential district requires a site that offers both architectural flexibility and an address of undeniable social standing. This residential plot in the heart of Agios Andreas is an exceptional choice for those who prioritize Family Living and Long-term Investment. Located in an area defined by its wide, tree-lined avenues and historic diplomatic charm, this property provides the ideal framework for creating a bespoke sanctuary in the capital's most prestigious quarter.

Family Living and Long-term Investment

The property falls within the Ka7 residential planning zone, offering a balanced building density of 80% and a coverage factor of 45%. These parameters are perfectly tailored for the construction of a grand two-story villa with a maximum height of 10 meters. The density allows for the creation of expansive interior volumes, ensuring your home can feature high-ceilinged living quarters while still preserving over half of the plot for private courtyards, landscaped gardens, or a custom swimming pool. In a district where the supply of buildable land is reaching its absolute limit, securing a site with such clean development potential and a ready title deed ensures your project remains a secure and solid asset for 3 decades of experience.

Description Residential plot in Agios Andreas area of Nicosia. The plot is ideal for the development of one private luxury home. Title deed is available. The plot occupies a serene position on a refined residential street, surrounded by high-end villas and lush greenery, providing an efficient and level foundation for a bespoke architectural project in the most prestigious quarter of the capital.
