For Sale : **€ 4,000**

Description
A field listed in Odou, set in open countryside a short drive from the village centre. The land covers 4014 m². It has an irregular shape and a sloping surface that follows the lie of the ground, and it is reached by road.

The villages of Sykopetra and Profitis Elias are a short drive away. The main roads are within a drive, and the Nicosia–Limassol motorway lies in the wider region. The surroundings around Odou offer a landscape-led setting away from dense urban development. This is a plain, uncomplicated piece of countryside land of a generous size.
