Description
A short drive from the centre of Kelokedara, this agricultural field covers 5,017 m² and is zoned for farming, giving sizeable ground for crops or planting. The land has an irregular shape and a sloping surface, and it is reached along an unregistered road.

The neighbouring villages of Trachypedoula and Prastio are also a short drive away, and the Limassol–Paphos Motorway is within driving distance for trips across the district. It is a straightforward piece of farmland in the Kelokedara area, ready to be worked, planted or simply held.
