Description
A sizeable field of agricultural land in Pano Panagia, set in an open countryside landscape of the Paphos district, well away from dense urban development. The land covers 9357 m², with an irregular outline and sloping ground that follows the natural lie of the land.

The village centre is a short drive away, and the neighbouring villages of Vretsia and Koilineia are also within easy reach by car. This is a generous, uncomplicated piece of the Cypriot countryside on the edge of Pano Panagia.
