For Sale : **€ 7,000**

Description
An agricultural field for sale in Episkopi, in the Paphos countryside, covering 20,174 m² of open farmland. The field has direct road access, which keeps it practical for farming, planting or simply holding land. Its shape is irregular and the ground is uneven.

The villages of Agia Varvara and Anarita are a short drive away, as is the Episkopi village centre. The Limassol – Paphos Motorway and its junctions are also within a short drive, giving easy reach across the district. This sale is for a one-fifth share of the field. It is a versatile piece of Cypriot farmland in an open countryside setting.
