Description
In the countryside of Kelokedara, this agricultural field of 6,021 m² sits a short drive from the village centre. The villages of Agia Marina Kelokedaron and Salamiou are also close by, and the Panagia of Sinti Monastery is not far away.

The land has a regular shape and a sloping surface, and its agricultural zoning suits farming and planting. The field has no direct road access. It is a sizeable, well-shaped piece of farmland in the Kelokedara countryside.
