For Sale : **€ 6,000**

Description
A generous 10,368 m² of agricultural land in an open countryside setting, a little way out from the centre of the Statos-Agios Fotios community in the Paphos District. The field has an irregular shape and sloping ground, and it sits within a natural rural landscape. The neighbouring villages of Pentalia and Faleia are a short drive away, with main roads and the Limassol–Paphos motorway further afield. Please note that the land has no direct road access. Its agricultural zoning suits farming or planting. This is a sizeable field of sloping ground set in a natural rural environment.
