Description
Covering 17,559 m² of agricultural land, this field in Kelokedara lies in an open countryside setting, a short drive from the village centre. The ground slopes and the shape is irregular, and the field has direct road access.

The neighbouring villages of Trachypedoula and Agios Georgios are close by, and the Limassol–Paphos motorway is within driving distance. Zoned for agricultural use, the land suits farming or planting across the Kelokedara countryside. This is a generous, versatile piece of land with plenty of room to cultivate.
