Description
This agricultural field lies in the countryside of Galataria, in the hills of the Paphos district. It covers 5,352 m² of farmland in an open countryside setting, away from dense development. The ground slopes and the plot has an irregular shape, so it suits planting and cultivation that work with the natural lie of the land. The village centre is a short drive away, as are the neighbouring villages of Pentalia and Agia Marina Kelokedaron. This is a sizeable piece of agricultural land in a rural part of Galataria.
