Description
A sizeable agricultural field is for sale in Trachypedoula, Cyprus, in open countryside a short drive from the village centre. The land covers 28,763 m² of sloping ground with an irregular shape. A public path runs along two of its sides and gives access to the field. Its agricultural zoning suits farming or planting.

The neighbouring villages of Agios Georgios and Maronas are a short drive away, and the Limassol–Paphos Motorway is within driving distance. This sale is for a one-quarter share of the land. It is a versatile piece of land with a generous area to work.
