For Sale : **€ 2,000**

Description
A field of sloping ground in Kampi, set in an open countryside setting in the Nicosia district. The land covers 7,024 m² in total, with an irregular shape and an inclined surface, in a landscape-led setting away from dense urban development.

The village centre is a short drive away, as are the neighbouring villages of Farmakas, Profitis Elias and Sykopetra, with a petrol station a little further on. This sale is for a half share of the field. It is an uncomplicated piece of rural land on the hillside ground around Kampi.
