For Sale : **€ 3,500**

Description
This agricultural field for sale in Kallepeia covers a generous 12,375 m² of open countryside in the Paphos district. It lies outside the village centre, with Pitargou and Episkopi a short drive away, in a landscape-led setting away from dense urban development.

The ground is irregular in shape with an uneven surface. Its agricultural zoning makes it suitable for farming or planting. It is an uncomplicated rural land purchase in the Kallepeia area. This sale is for a one-quarter share of the field. The field is a sizeable piece of agricultural land in the open Paphos countryside.
