Description
Covering 7,024 m², this field in Kelokedara is agricultural land set in open countryside, a short drive from the village centre. Its agricultural zoning makes it suitable for farming or planting. The ground slopes and has an irregular outline.

The neighbouring villages of Agia Marina Kelokedaron and Stavrokonnou are also a short drive away, and the Limassol - Paphos Motorway is within reach by car, linking the area to both towns.

This is an uncomplicated, versatile piece of farmland in the Kelokedara countryside of the Paphos district.
