Description
Set in open countryside, this agricultural field in Marathounta covers 2,342 m² of farmland. It lies a short drive from the village centre and the Limassol–Paphos motorway. The villages of Episkopi and Agia Varvara are also close by, with petrol stations and main roads within easy reach.

The field has an irregular shape and an uneven, sloping surface. It sits in natural surroundings, away from dense development. Its agricultural zoning suits farming or planting. This sale is for a six-seventhshare of the field. It is a versatile piece of rural land within easy reach of the motorway.
