For Sale : **€ 2,000**

Description
An agricultural field for sale in Odou, set in open countryside a short drive from the village centre and the neighbouring villages of Melini and Sykopetra. The Nicosia–Limassol Motorway lies within the wider region.

The field covers 2007 m² and has a square shape with a sloping surface. Government land borders it on three sides. It is landlocked and has no direct road access. Its agricultural zoning makes it suited to farming or planting in this part of the Larnaca countryside. This is a versatile, square piece of agricultural land, well away from dense development.
