For Sale : **€ 2,000**

Description
Agricultural land in Letymvou, set in an open countryside landscape in the Paphos hills, away from dense development. The field covers 9700 m², with an irregular shape and a sloping surface, and its agricultural zoning suits farming and planting. It is reached by a dirt track. The villages of Pitargou, Episkopi and Kallepeia are a short drive away, and the Limassol–Paphos Motorway is within a drive. This sale is for a one-quarter share of the field. It is a versatile piece of farmland in the Letymvou countryside, with room to cultivate across its sloping ground.
