Description
In the farming countryside of Koilineia, in the Paphos district, this agricultural field covers 2,342 m² of land for cultivation or planting. It lies outside the village centre and is reached by road. The ground slopes, and the plot has an irregular shape. Nearby, the villages of Galataria, Vretsia and Agios Ioannis are a short drive away, and the Limassol - Paphos Motorway serves the wider region. The land is zoned for agriculture and suits farming or a long-term rural holding. It is a sloping, workable piece of farmland in the Koilineia countryside.
