Description
Set in open countryside outside the village of Koilineia, this agricultural field for sale covers 3679 m² of rural ground in the Paphos district. The land slopes gently in places, is irregular in shape and is reached by a track.

The village centre and the neighbouring villages of Vretsia and Galataria are a short drive away. Main roads and the Limassol–Paphos Motorway lie in the wider region. Zoned for agricultural use, the field can be farmed or planted, away from dense urban development. It is a flexible piece of farmland with a generous area to work.
