Description
Outside the village of Kedares, in the Paphos district, this agricultural field covers 6,355 m² of sloping ground with an irregular outline. It borders a pathway along one side. The village centre is a short drive away, as are the neighbouring villages of Kidasi and Mesana, and main roads, including the Limassol – Paphos Motorway, lie in the wider region. Most of the land is zoned for agriculture and suits farming or planting. A small part falls within a protection zone. The sale is for a 1/2 share of the field. It is a sizeable piece of sloping farmland in the Kedares area.
