Description
This agricultural field in Kelokedara sits in open countryside, a short drive from the village centre and from the neighbouring villages of Agia Marina Kelokedaron and Trachypedoula in Paphos District. It covers 3011 m² of farmland with an irregular shape and a sloping surface, and its agricultural zoning suits farming or planting. The field has no direct road access. Around it, Kelokedara offers a landscape-led setting away from dense urban development. This is an uncomplicated plot of farmland on rising ground.
