For Sale : **€ 450**

Description
A field in Palaichori Morfou, set in a landscape-led setting away from dense urban development in the Nicosia district. The land covers 1004 m², with an irregular shape and a sloping surface that follows the natural lie of the ground.

The village centre is a short drive away, as are the neighbouring villages of Askas and Palaichori Oreinis. A petrol station is within driving distance, and main roads serve the wider region. For anyone looking at the local countryside, this is an uncomplicated rural land purchase. It is a modest, sloping parcel of open countryside on the edge of the village area.
