Description
A small field on the market in Palaichori Oreinis, Cyprus, set in an open countryside setting in the Nicosia district. The land covers 154 m², with an irregular shape and a sloping surface, and two walnut trees stand along its border. It has no direct road access.

The village centre is a short drive away, as are the neighbouring villages of Palaichori Morfou and Askas and a petrol station, with the main roads a little further. This sale is for a half share of the field. It is a modest, uncomplicated piece of rural land in Palaichori Oreinis, with walnut trees marking its edge.
