For Sale : **€ 226,000**

Description
A house for sale in Avgorou rarely comes with this much breathing space: two detached, single-storey homes share a generous plot of 5772 m² in a quiet residential part of the village. Parks, cafés, restaurants and local services are all within walking distance, so everyday village life sits right on the doorstep.

The larger house offers a living room, dining room and kitchen, three bedrooms, a bathroom and a guest toilet, with covered verandas for long evenings outdoors. Its neighbour has its own living and dining rooms, kitchen, two bedrooms and a bathroom, again opening onto a covered veranda. Air conditioning helps through the summer months. Both houses are in average condition.

Together they give five bedrooms and a flexible arrangement: two separate front doors, each home with its own rooms and outdoor space. Schools, supermarkets and nearby villages such as Liopetri are a drive away, with easy access to the Larnaca to Agia Napa motorway for trips along the coast.

Above all, it is the land that stands out: two homes on a generous plot in authentic Cypriot village surroundings, with room to settle in and enjoy the slower pace of Avgorou.
