Description
Set right in the village centre, this detached split-level house in Palaiometocho puts everyday life on your doorstep, with schools, shops, cafés and medical centres a short drive away and main roads close at hand for trips into Nicosia.

Inside, the home is laid out for family living. The ground floor opens into a large living and dining area alongside the kitchen, an office, a bedroom, a utility room and a guest toilet. Upstairs are four more bedrooms and a bathroom, and a lower level adds storage and covered parking. Air conditioning keeps summers comfortable, with heating for the winter months.

Outside, covered and open verandas look onto a yard with a garden, all within a fenced boundary and with direct road access. It is ready for long, sociable evenings outdoors and space for the children to play. The house is vacant, so you can settle in on your own timetable.

This sale is for a half share of the property. Five bedrooms, a garden of your own and village life all around make this a true family home.
