Description

For Sale Agricultural Land In Lythrodontas, Nicosia
A Canvas of Natural Potential

Imagine escaping the urban rush to stand on a piece of authentic Cypriot countryside, where the air is pure and the landscape is defined by the lush olive groves and pine-covered hills of the Troodos foothills. Buying land in the picturesque village of Lythrodontas is an invitation to embrace the tranquility of rural life. This massive agricultural field, spanning over 16,000 square meters, offers a rare opportunity for those seeking a large-scale project, a private estate, or a long-term investment in a serene village setting known for its natural beauty.

The Perfect Scale for a Private Retreat

Boasting an expansive surface of 16,389 square meters, this property provides the ultimate freedom to cultivate a sustainable lifestyle. Within the Z1 protection zone, the land ensures the preservation of the surrounding natural beauty while allowing for a 6% building density. This makes it suitable for a modest, environmentally conscious retreat or specialized agricultural structures that complement the traditional character of the area. While currently landlocked, the plot's sheer size and strategic location within the village boundaries make it a significant asset for those looking to secure a substantial holding in a scenic, semi-mountainous environment.
