For Sale : **€ 590,000**

Description
Sea air, sandy coves and the easy rhythm of an established resort area set the tone for this field for sale in Ayia Thekla, on the stretch of coast between Sotira and Ayia Napa. The beaches are a short drive away, Makronissos Beach among them, and so is Agia Napa Marina, with restaurants, cafés, supermarkets and shops close at hand.

The land covers 8415 m² of flat ground with direct road access, and most of it lies within a zone intended for tourist uses such as hotels, houses and tourist villages. Apartment and residential complexes already shape the neighbourhood, giving a clear sense of how life by the water works here.

Getting around is uncomplicated, with easy access to the motorway and Larnaca International Airport about 30 km away. The village centre and Liopetri are both within easy reach, while Paralimni Lake and green spaces offer a change of scene.

Generous, level and close to this celebrated coastline, it is a setting made for the island at its most relaxed.
