For Sale : **€ 120,000**

Description
Shops, cafés and restaurants within walking distance, with the Protaras beaches a short drive away: this residential field in Kapparis sits in an established resort area where the sea is never far from everyday life.

The land covers a generous 6932 m² with a gently sloping surface and direct road access. Its residential zoning points naturally to a home by the coast, and it is also suited to division into plots or to a larger residential development, which leaves plenty of flexibility in how it could take shape.

Paralimni's village centre, medical centres and a petrol station are a short drive away. Main roads and the motorway make getting around the island uncomplicated. The much-loved Fig Tree Bay is a drive away, and Larnaca International Airport is about 40 km.

This sale is for a one-third share of the field. Space to plan, everyday conveniences on foot and year-round coastal living close at hand give Kapparis a very easy appeal.
