For Sale : **€ 100,000**

Description
Life in Oikos moves at village pace. Cafés, restaurants and green spaces are an easy walk away, and the Troodos National Forest Park is a short drive away. Close to the heart of the community, this two-storey house sits in a relaxed rural setting with a real closeness to nature.

The upper floor holds the everyday home. An open-plan kitchen runs into a sitting area, a natural place for shared meals and long evenings together, with bedrooms and a bathroom on the same level. Below, the ground floor has been used as storage and adds a second level of indoor space.

Weekends here can mean a walk to a café for morning coffee, or a short drive to the forest park and the waters of Kalopanagiotis Reservoir. Then you come home to the calm of a mountain village.

The house is currently occupied. The sale is for a 1/2 share of the property.

A two-level village home in Oikos, with the cafés close by and the Troodos forest within easy reach.
