**Description**
Village life in Ormideia sets the pace here, with supermarkets, cafés and a primary school all close at hand. This two-bedroom house stands on a 596 m² plot in a residential setting, with a courtyard and verandas that carry everyday living outdoors.

Inside, a living room and kitchen form the heart of the home. Two bedrooms, a bathroom and a separate laundry room complete a practical layout that keeps daily routines simple. Covered verandas offer shade, open ones let you step into the fresh air, and the courtyard leaves room for a morning coffee or a long evening with family and friends. A parking space adds everyday convenience.

The village centre and public service offices are a short drive away, and neighbouring Xylotymbou is close by as well, so errands and school runs fit easily into the day.

A sensible layout, generous outdoor space and the comfort of a village where everything you need is near: a home in Ormideia that is simple to summarise and hard to fault.
