
For Sale, Land, Field, Famagusta, Paralimni, 5,939m²

Schools, supermarkets and everyday shops are
all within walk...

For Sale : **€ 115,000**

Description
Schools, supermarkets and everyday shops are all within walking distance of this residential field for sale in Paralimni, one of the most lived-in corners of Cyprus. Restaurants, cafés, medical centres and the town centre are a short drive away, so daily life stays simple and close at hand.

The land covers a generous 5939 m², with a smooth surface and an irregular shape that gives it a natural, unforced feel. Its residential zoning points to a home, set within an established neighbourhood rather than out on its own.

Beyond the errands and the school run, the wider area offers easy escapes. Paralimni Lake, a favourite nature spot, is a short drive away, as is the neighbouring village of Sotira, and the motorway towards Ayia Napa and Larnaca brings the rest of the island within reach.

This sale is for a two-thirds share of the land. What stays with you is the setting: open residential land in Paralimni with town life, schools and shops right on the doorstep.
