Description
Between the coastal towns of Ayia Napa and Paralimni, this residential field in Liopetri offers space and a calm village setting, with the sea-side resorts only a drive away. It is land zoned for residential use, so you can picture a home here, set among the open landscape that gives this part of Famagusta its relaxed rural character.

The land is level and regular in shape, an uncomplicated canvas that is easy to understand and to plan around. Village life is right on the doorstep, with restaurants and cafés within walking distance. Schools, supermarkets, parks and the village centre are a short drive away, and the motorway is close, so Larnaca and the rest of the island are easy to reach.

Liopetri keeps a slower pace and a close-knit community, with the neighbouring villages of Frenaros and Avgorou nearby. Everyday needs are well covered, while the beaches and promenades of the coast are never far.

This sale is for a half share of the field, covering its open, empty part. What stays with you is the balance: authentic Cypriot village life on generous residential land, with Ayia Napa and Paralimni within easy reach.
