Description
Everyday life in Athienou is close at hand here. Schools and shops lie within easy reach, so the daily round of school runs and errands stays simple. This single-storey detached home sits on a large, flat plot with direct road access and a comfortable sense of space around it.

Indoors, the living space spreads across one level, so the rooms connect easily with no stairs to climb. A semi-basement below adds extra room, and separate outbuildings stand on the plot too, giving space for storage or hobbies.

Outside, the verandas set the rhythm of the day. Covered verandas offer shade for a morning coffee, while open verandas welcome long evening meals in the fresh air. Indoor and outdoor living sit side by side, and family and friends have room to gather.

A detached home in a residential setting, with spacious rooms and a choice of covered and open verandas, all within easy reach of everyday Athienou.
