Description
Agricultural field for sale in Avgorou, made up of two adjoining parcels sold together as a single holding of 15,311 m². The ground is smooth and flat across an irregular shape, giving open, workable land in a countryside setting.

Avgorou's village centre and petrol stations are a short drive away. Acheritou is also close by, and Liopetri is a little further. The land has no direct road access. Zoned for agricultural use, it is a versatile piece of land whose level ground lends itself to farming or planting.
