For Sale : **€ 70,000**

Description
Life in Paralimni gathers close around this field. The town centre is a short drive away, and so is Paralimni Lake, a natural spot to escape for a slow walk once the day winds down.

The land is large and even underfoot, with an irregular outline that follows its own shape. It lies within the town's urban centre zone, in a residential setting where there is room for a home. Picture plans taking form on level ground, with Paralimni's daily life, its cafés, shops and familiar routines, never far away.

The land has no direct road access. The sale is for a 5/12 share of the field.

For anyone drawn to Paralimni, this is a sizeable stretch of level ground in a residential part of town, with the lake and the centre close by.
