For Sale : **€ 70,000**

Description
The beaches of Paralimni are only a short drive away from this residential field in the Famagusta district. Here, mornings by the sea and a home of your own can share the same day. Larnaca International Airport lies about 40 km away, which keeps the journey simple when you come and go from abroad.

The land is zoned for residential use and offers room for a home in a residential setting. It is a large field with a sloping surface and an irregular shape, so any future plans can follow the natural lie of the ground.

Picture a home taking shape here, with Paralimni around you and the shore close by for a swim or a walk at the end of the day. The sale covers a 1/6 share of the field.

A residential field within easy reach of the coast, waiting for the home that belongs on it.
