For Sale : **€ 70,000**

Description
The beaches around Paralimni are only a short drive from this sizeable field, set in a touristic zone where the land is meant for tourist use. It is a setting shaped by the sea and the sunshine of the Famagusta coast, with the life of the town close at hand.

The ground is even and the outline irregular, and one side of the field abuts a public road, giving it direct road access. That frontage makes the land simple to reach and easy to picture in its intended use.

Beyond the local beaches, the marina at Ayia Napa Harbour is a drive away, and Larnaca International Airport lies about 40 km off, keeping arrivals and departures straightforward.

The sale is of a 1/6 share of the field. What remains is a level piece of Paralimni in a touristic zone, a short drive from the sand and well worth a visit.
