For Sale : **€ 30,000**

Description
Paralimni's daily rhythm is close at hand here. The town centre, with its shops and cafés, is a short drive away, and Paralimni Lake lies within a short drive too, a green pause in the life of a busy corner of Famagusta.

The land itself is unpretentious and easy to read. It has a regular shape and an even surface, a sensible canvas for anyone picturing a home among the town's neighbourhoods. It sits within Paralimni's urban zone and is classed as residential land, so it offers room for a home within a town setting rather than out in the countryside. At 2,130 m² in total, the field is a sizeable piece of ground to plan around.

The land has no direct road access. The sale is for a 1/2 share of the field.

What stays in the mind is the simplicity of it: level ground in a residential part of Paralimni, with the town centre and the lake both a short drive from its edge.
