For Sale : **€ 45,000**

Description
A field listed in Xyliatos, a village in the Nicosia district countryside, this agricultural land covers a generous 22743 m² in an open rural setting. The ground has an irregular shape and a sloping surface, and the land has direct road access. Its agricultural zoning suits farming, planting or simply holding a sizeable piece of the Cypriot countryside.

The village centre is a short drive away, as are neighbouring Agia Marina Xyliatou and Agios Georgios Kafkallou. Main roads, including the Astromeritis - Evrychou motorway, are a drive away, linking the area towards Nicosia. This is an uncomplicated rural purchase: a large, accessible field of agricultural land in Xyliatos.
