For Sale : **€ 60,000**

Description
Paralimni's everyday life unfolds all around this level field. Schools, restaurants and cafés are within walking distance, the town centre is a short drive away, and the coastline is within easy reach for the moments when the sea calls.

The land is sizeable at 4,221 m², with an even surface and an irregular shape. A public road runs along two of its boundaries, so it has direct road access. Most of the land sits in a residential zone, with room for a home, while part of it lies in a commercial zone suited to business use.

Imagine starting the day with an unhurried stroll to a local café, then heading towards the coast as the afternoon warms. Life here can move at the pace of the town, with its shops and services close by and open ground to shape around your own plans.

The sale is for a 1/6 share of the field. It offers flat land in a well-served corner of Paralimni, with the town on foot and the coast a short drive away.
